Employer Basic Training

What you need to know when your military employee goes away on duty

ESGR®
EMPLOYER SUPPORT OF THE GUARD AND RESERVE

This month is a heavy Annual Training month for the Iowa National Guard. The Guard and Reserves used to be considered a resource only when needed. Since 9/11 we've seen the Reserve Component change to an operational force. What does that mean to employers?

This workshop will provide an overview of USERRA (Uniformed Service Employment and Reemployment Rights Act) as it pertains to our current military climate. Additional drill days, military schools, and deployments. An overview of what an operational force means and the reasons behind it.
