

ALICE Training

(Alert, Lockdown, Inform, Counter, Evacuate)

Active Shooter Response Program

The Peosta Police Department in cooperation with the NICC, Employers Council of Iowa, Iowa Workforce Development and the Dubuque Area Labor-Management Council is conducting an ALICE (Alert, Lockdown, Inform, Counter, Evacuate). The 4 hour long ALICE session is designed to give participants insight and response options when encountering an active shooter.

This highly effective and "common sense" training has been readily adopted by many educational law enforcement institutions throughout the United States. Hopefully you will never have to use the information you will learn, but if a situation does arise in a classroom or in an office, you will have an idea of what you can do to increase your survivability.

The first two hours you will learn how to empower yourself to make life-saving decisions in an active shooter scenario. The second half of the session will be example scenarios and live drills. Long sleeves are required for the second half of the session.

Instructor:

Sgt. Nicole Minnihan (Peosta PD),
Sr. Trooper Dudak (Iowa State Patrol),
Asst. Chief Mike Comer (Dyersville PD)
Ted White, Certified ALICE Trainer
