EDUCATION & TRAINING

Master's Degree	None	Internship/Residency

All states require marriage and family therapists to have a master's degree and a license to practice. For certification in a subspecialty, physicians usually need another 1 to 2 years of residency. The Iowa Board of Behavioral Science Examiners website at http://access.bridges.com/ext/cp/custom_state_data/iowa_licensed_occupations/21-1013.htm provides specific licensure and support information for the state of Iowa.
