Employer Managed Job Orders and Screen Scraping with Iowa Workforce Development

SPENCER, IOWA - The Lakes Area Employers' Council (ECI) will be meeting on Wednesday, February 13, 2008 at Godfather's Pizza, 113 Grand Ave, Spencer, Iowa at 12:00 (noon). All employers, human resource personnel, and other staff members are invited to attend. The program features Chris Nilles, executive officer, out of Sioux City, Iowa. She will be demonstrating how employers can register and create an account using the IWorks system to more effectively manage job orders themselves. Chris will also address the issue of "screen scraping."

Topics to be discussed today include:

- The difference between "Employer Managed" and "IWD Managed" job orders
- The nuts and bolts of entering job orders
- Writing an effective job description
- The process of "Screen Scraping"

Chris Nilles will entertain questions on all these topics.

Pre-registration is requested by Friday, February 8, 2008 to Robert.Becker@iwd.iowa.gov or by calling (712) 262-1971 ext. 126. Cost of the lunch will be \$6.99 payable to Godfather's Pizza that day. If you register, but do not attend, you will be billed. There will not be any other expenses. A certificate of attendance will be provided to attendees for recertification purposes.

The Lakes Area Employers' Council is a local employer group supported by Iowa Workforce Development Region 3 and 4, and is part of the statewide Employers' Council of Iowa system. This employer's group addresses workforce issues, and provides both educational and networking opportunities for employers and human resource professionals. Contact Bob Becker at robert.becker@iwd.iowa.gov if you have questions about this training session or about the Lakes Area Employers' Council.
