Shoes for Veterans

SIOUX CITY - The Sioux City Iowa Workforce Development Center will host our first Annual "Shoes for Veterans" event. This event will be held on November 10, 2008 from 10 am to 3 pm at the Quality Inn, 1401 Zenith Drive, Sioux City.

We are partnering with Siouxland area communities and military service organizations. In addition, we are working with employers from Woodbury, Plymouth, Cherokee, Monona and Sioux counties, Dakota County, Nebraska and Union County South Dakota, to promote donations of shoes and clothing items for our Veterans.

This event is open to veterans and their families from all of the counties mentioned above. New shoes and clothing items will be available at no cost to veterans and their families. These items have been donated by area businesses and private donations in support of our military veterans. Complimentary food and beverages will be served. Please join us as we pay tribute to our local veterans on November 10th.

If you have any questions or would like to donate new shoes or clothing items, please contact Dave Girard at (712) 233-9033 ext. 1015 or via email at david.girard@iwd.iowa.gov.
