## **Iowa Workforce Development Encourages Iowans to use IowaJobs.org**

**Carroll, Iowa** – Whether looking for a job or seeking to hire qualified applicants, Iowa Workforce Development encourages Iowans to begin their search with IowaJobs.org.

“By using IowaJobs.org, employers and job seekers can take advantage of the many services we provide,” said Elisabeth Buck, Director of Iowa Workforce Development. “IowaJobs.org offers something for everyone statewide.”

At any given time, over 13,000 jobs are posted. Many of Iowa’s top employers have their job openings automatically added to IowaJobs.org directly from their web sites. This ensures that only the most current jobs are posted.

Employers can take advantage of the many screening options available to guarantee only qualified applicants are submitted. They can also save time by having Iowa Workforce Development staff manage their job postings. In addition, employers can find access to labor market information along with other employment data.

Due to growing business, a local attorney contacted the Carroll Workforce Center to find qualified clerical candidates. After discussing the open position with the workforce staff, it was determined that the center would collect applications for four weeks and administer a typing test to all applicants. When it came time to fill the position, the attorney was thrilled with the number and quality of applicants they had to choose from. They even ended up hiring a full-time and a part-time person. The attorney was very happy with all services they received from the Carroll Workforce Center.

With thousands of internet views per day, IowaJobs.org can offer a unique pool of applicants that no one else can provide. To learn more about how IowaJobs.org can help you, contact the Carroll Workforce Center at (712) 792-2685.
