Individuals who may be eligible for the recently extended unemployment insurance benefits will receive written notification for reactivating their claims. Initial payments for individuals who continued with their weekly reporting will begin being paid on approximately July 29th and 30th. Claimants needing to add past weeks will be able to do so via the toll-free system at 800-850-5627 or online at <https://uiclaims.iwd.iowa.gov/weeklyclaims/> **beginning Tuesday, July 27th**. If a claimant is unable to report weeks via the 800 number or online system, staff at one of the 55 field offices across the state will provide assistance.
